RE: WV Heavy & Highway Rates

Dear Mary:

Due to the health & welfare contribution rate increase by the Mid-Atlantic Regional Council of Carpenters Health Fund effective 5/1/2010, the fringe benefits for Carpenters Local Union 1024 have been adjusted. The \$.25 increase to health & welfare contributions was taken from the annuity contribution. The total fringe benefit package total remains the same.

I have attached a wage and fringe benefit listing for your files. Should you have any questions, please feel free to contact me.

Sincerely,

E. William DuVall, II
